Our Health Home Program needs an experienced Care Manager for our Orange County, NY team.

This position is based in our Orange County office located in Newburgh, NY. In this position you will be responsible for:

- * Providing the core components of care coordination to individuals with chronic illnesses including HIV
- * Conduct intakes and comprehensive health assessments to identify needed services
- * Develop care plans, coordinate with interdisciplinary team of medical providers, and reach out to prospective clients
- * Field work involves home visits and accompanying clients to medical appointments when needed
- * Maintain electronic medical records/data and provide periodic on-call phone coverage as scheduled

This position provides care management services to individuals in Orange county. We offer a comprehensive benefits package (including an employer-contributed 403b plan), generous time off and training in a supportive work environment.

BILINGUAL ENGLISH/SPANISH GETS SALARY DIFFERENTIAL
