REMINDER

MHVC Learner Central

Available training programs and learning events can be accessed through [MHVC Learner Central](#) at any time. Registration for an in-person training and accessing web-based training can be completed directly online. An MHVC Learner Central Quick Links is provided on this document to provide you a sample of available trainings.

Reporting

MHVC reports all training activities to NYS on a quarterly basis. If you are viewing a web-based module in a group setting, we ask that you capture the attendance on a sign in sheet ([click here for sample](#)) and email the completed document to LearnerCentral@montefiore.org.

Additional Training

If you require a training to take place at your site or host an existing training on your Learning Management System, please send an email to LearnerCentral@montefiore.org. We will work with you to determine the best learning solution that will best fit your organizational needs.

Information provided in this document is current as of October 1 2017. We ask that you sign up for alerts on newly added trainings and events. Our training calendar and other events that you may be interested in attending are also available on www.MontefioreHVC.org.
