

Trauma Program Manager – St. Luke's Cornwall Hospital

St. Luke's Cornwall Hospital – Newburgh, NY has an immediate full time opening for an experienced Trauma Program Manager. This key leadership position is responsible for the day-to-day operations of Trauma Services as well as the overall complex management of an ACS-COT Verified Level III Trauma Center.

We are looking for individuals who want more than a job. We want someone who wants a long-lasting career with our family. St. Luke's Cornwall Hospital is a not-for-profit hospital dedicated to serving the health care needs of our community. With dedicated staff, modern facilities and state-of-the-art treatment, we are committed to meeting the needs of the community by providing the best patient care. St. Luke's Cornwall Hospital was just recently voted as 2017-2018 Great Place to work. Hidden in the Hudson Valley, we are only a short train ride away to NYC.

Requirements:

Education/Training: Bachelor's Degree in Nursing is required; MSN Preferred. Ability to read, write and communicate in English.

Experience: Minimum of three (3) years of experience as Trauma Program Manager. Experience with ACS verification and NYS certification is preferred.

Licensure, Registration or Certification: Current New York State licensure as a registered professional nurse; current BLS; TNCC required.

Sign on bonus or relocation assistance can be discussed.

Please send your CV/Resume to Laura Rappleyea, HR Recruiter at lrappleyea@slchospital.org for consideration or with any inquires OR apply online: <http://www.stlukescornwallhospital.org/careers/Pages/Careers.aspx>
