

MHVC Cultural Competency & Health Literacy Best Practices Forum 2018

Montefiore Hudson Valley Collaborative (MHVC) is hosting a second Cultural Competency and Health literacy (CCHL) Best Practices forum sharing CCHL strategies in the Hudson Valley. The event will include topics on stigma reduction, social determinants of health, implicit bias and how to collect and use CCHL data effectively.

Objectives:

- Discuss how personal (implicit/unconscious) bias and culture can impact the way we engage with each other and service recipients
- Define and discuss interconnectedness of cultural competence and person-centeredness
- Discuss strategies on how to reduce mental illness stigma
- Appraise ways on how to implement a cultural competency plan
- Describe the social determinants that impact health

Who Should Attend

This CCHL Best Practices Forum is recommended for supervisors, managers, administrators, mental health providers including Social Workers who provide direct service, supervision, and administrative oversight, change agents and informal influencers.
