

Position: Senior Recruiter

Organization: Montefiore New Rochelle, Montefiore Mount Vernon, Schaffer Extended Care Center and the Montefiore School of Nursing.

Montefiore is a premier academic health system and the University Hospital for Albert Einstein College of Medicine, serving the more than 3 million people living in the New York City region and the Hudson Valley. Montefiore is doing more to deliver science-driven care where, when and how patients need it most. With our new member and affiliate locations in Westchester, Rockland and Orange counties, Montefiore offers patients state-of-the-art healthcare close to home.

Montefiore is currently seeking candidates for a *Full Time Senior Recruiter position*. This individual will be the Recruiter for Montefiore New Rochelle, Montefiore Mount Vernon, Schaffer Extended Care Center and the Montefiore School of Nursing.

The Senior Recruiter is responsible for sourcing and recruiting top talent for all positions within the hospital. This individual will analyze positions and operational needs and designs recruiting strategies to fill positions in the shortest time at the lowest cost. We are looking for a strategic thinker who will take the time to understand the needs of the operation and provide exceptional service to our internal clients.

Qualifications:

The successful candidate will have 3-5 years of recruitment and sourcing experience, a Bachelor's degree from an accredited college/university and very strong communication and organizational skills. Healthcare and/or nursing recruitment experience preferred.

Interested candidates should email their resume to careers@montefiore.org

Montefiore is an equal employment opportunity employer. Montefiore will recruit, hire, train, transfer, promote, layoff and discharge associates in all job classifications without regard to their race, color, religion, creed, national origin, alienage or citizenship status, age, gender, actual or presumed disability, history of disability, sexual orientation, gender identity, gender expression, genetic predisposition or carrier status, pregnancy, military status, marital status, or partnership status, or any other characteristic protected by law.
