

He/She/They/Hir/Ze: Navigating Gender Identity, Misgendering and Transitioning in the Workplace

Michelle E. Phillips, Esq., Jackson Lewis' subject matter expert on LGBT issues will review today's sexual orientation and transgender terminology and provide an overview of gender discrimination laws as well as sexual stereotyping and transgender cases. Ms. Phillips will discuss how these laws and cases impact workplace policy, and provide recommendations on on-the-job transitions, and enhancing an inclusive, respectful work culture.
