

Reaching Your Tobacco-Using Patients: Let the Quitline Help!

Date: Tuesday - January 16, 2018

Time: 1:00 PM – 2:00 PM EST

Montefiore Hudson Valley Collaborative (MHVC) is hosting a smoking cessation webinar called “Reaching Your Tobacco-Using Patients: Let the Quitline Help!” Facilitated by Patricia Bax, RN, MS, TTS, ACB, Marketing and Outreach Coordinator for the NYS Quitline/Roswell Park Cancer Institute, this webinar will provide information about the NYS Quitline and how their services can help your clients to quit, as well as an overview of barriers and facilitators to implementing tobacco cessation activities and policies at your organization. This webinar will provide participants with the following information:

- Overview of the services Quitline provides
- Barriers and Facilitators to Implementing Tobacco Cessation Activities and Policies
- Best Practices
- Questions and Answers

Who Should Attend

This webinar is intended for staff and providers who are client-facing, as well as organizational leadership, who want to:

- Increase Quitline referrals
- Create/implement tobacco cessation activities and policies at their organization
- Learn more about tobacco cessation strategies and supports.
