

Course: Value Based Payments (VBP) Training Series

Montefiore Hudson Valley Collaborative (MHVC) is offering capacity building sessions that will support Hudson Valley partners' readiness for value-based care. These sessions support the Financial Stability governance under Delivery System Reform Incentive Payment (DSRIP) initiatives.

Capacity Building Session: Take your CBO Innovation to Market

This session is targeted for Community Based Organizations (CBOs), organizations working with CBOs and organizations building a business plan leading to a VBP contract. Participants will be introduced to the fundamentals of shifting their current practice to value based goals along with role in value based payments. By the end of this session, participants will be able to:

- Identify the difference between a public good and a value-based payment outcome
- Understanding the core elements in preparing a value-based payment business proposal to a payor
- Develop a VBP Business Plan for an intervention offered by their organization

Who should attend this session?

Bring your team! We encourage that two to four participants from the same organization attend to develop a roadmap to operationalize value-based payments within their organization. Operational managers are also encouraged to attend.
