

Course: Engage Beyond Hospitalization

Montefiore Hudson Valley Collaborative (MHVC) in collaboration with 1199SEIU Training and Education Fund (TEF) proudly presents a one-day course on Engage Beyond Hospitalization. Participants will receive at least three best practices for patient engagement and how to use the PAM Tool or similar tools and ways to follow up after hospitalization for mental illness – within 30 days.

About this Training

By the end of this module, participants will be able to:

- List at least three best practices for patient engagement
- Describe how to use the PAM® Tool or similar tools and ways to follow-up with the patient
- Demonstrate strategies for telephonic and in-person patient engagement
- Evaluate case scenarios for patient engagement and needed support

Who this training benefits?

- Behavioral Health Professionals
- Educators
- Health Care Professionals
- Human Services Professionals
