Keeping Your Children Safe in Today's Digital

World: A Parent's Guide

Presented by: Senior Assistant County Attorney David Meffert

Prosecutors from Orange County's Juvenile Justice Unit will discuss the dangers encountered by children in today's digital world. They will give parents the tools they need to better understand technology by using a national, award-winning multi-media presentation along with real-life examples. Non Tech-Savvy parents can learn how to access their children's devices and how to employ tips and tools to set up parental safeguards. A Q&A session will follow this one-hour presentation.
